FACT SHEET

Anguilla

LOCATION

Anguilla is a dependent British overseas territory, located east of the U.S. and British Virgin Islands. Anguilla has few natural resources, and the economy depends heavily on luxury tourism, offshore banking and lobster fishing. Its economy, especially the tourism sector, has been expanding rapidly since 2005 and the level of growth has gained speed since the beginning of 2007. This boom is expected to continue into the foreseeable future.

LAW & TAX

Anguilla has an English Common Law system supplemented by local statutes. Anguilla is a zero-tax jurisdiction and has no income, gift, capital gains, estate, inheritance or any other significant taxes.

CORPORATE REQUIREMENTS

Each Anguilla company must have:

- At least one director, can be corporate director or individual;
- At least one shareholder, can be corporate shareholder or individual (bearer shares allowed);
- A registered office and agent in Anguilla;
- Chinese names are permitted and can be included on the Certificate of Incorporation.

BANKING

We can arrange bank accounts in Hong Kong, London, Luxembourg, Switzerland or other offshore jurisdictions. We have good working relationships with many banks and as a qualified intermediary, dependent on the choice of bank, our clients can be waived of the requirement to meet the banker.

OUR SERVICES

We can incorporate a company with your choice of name and can also check the availability of names in advance.

To summarize, from our Hong Kong office we can provide a one-stop shop service commencing with but not limited to the formation of the company, providing virtual office services, accounting & compliance, company secretarial and administration, bank account signatory and management, trade documentation and payroll services. Lastly, to ensure good corporate governance, the preparation of annual management accounts is recommended.
